

Navigating the Campus Portal

Navigating the Campus Portal is very user friendly. An index of accessible information for each student is listed on the left side of the screen. The parent’s name will appear under the Campus Portal header. Each student’s name is listed below, with links to their school information. To exit the portal, click on the **Log Off** link at the bottom of the index list.

School and District Notices

When viewing the Campus Portal for Parents, school and district notices are displayed in the main frame of the screen. Notices are categorized by district-wide messages or by building-specific messages.

Family

This is the demographic information pertaining to the student’s household, such as address, email, and phone numbers. The household is based on the relationships established between all the members.

Calendar

Two calendars are listed, one under the Family heading and one under the Student's name.

The **Family Calendar** link displays school and district notices and special events. It provides a list of all the student's assignments for each that are due on a certain day.

The **Student Calendar** link will only show information for that student's school.

Schedule

The Class Schedule view lists the student's classes in each period and each term. If the school uses a rotating day or alternating day schedule, the day the class meets will be listed. Clicking on the class name within the period will display assignments and grades for the selected class. To view assignments, click on the Notebook and detailed assignment information will display. The user may click on the Envelope link to send the teacher an email. This opens a new email message using your preferred email software with the teacher's address already inserted. Assignments are posted immediately after the teacher saves the input.
